Address

8 October 2026

Dear Resident

Parking Area Line Painting and Disabled Parking Bays

We are writing to let you know that Riverside Scotland has arranged line-painting works across the Pennyburn parking areas. These works will include painting parking bay lines and creating or refreshing at least two disabled parking bays in each car park included in the programme.

Planned programme of works

Phase 1 – Monday 26 October 2026

Access via Cranberry Road: Ardmillan, Bargeny, Cloncaird, Daljarrock, Enterkine, Garallan, Kilkerran, Kelburne and the bottom car park.

Phase 2 – Tuesday 27 October 2026

Access via Muirside Road: Lainshaw, Pinmore, Newark, Rowallan, Rosemount, Treesbank, Wellwood and the bottom car park.

Phase 3 – Wednesday 28 October 2026

The Places: Culzean Place, Glenapp Place, Sundrum Place, Cambusdoon Place, Skelmorlie Place and Coodham Place. Several car parks will be completed within these areas.

Thursday 29 October 2026

This date has been set aside for the contractor to return to any car parks that could not be completed, including areas where parked vehicles prevented access.

How residents can help

- Please remove your vehicle from the affected car park before work starts on the date shown above.
- Please also ask household members, visitors and carers not to park in the area while the work is taking place.
- Do not move cones, signs or barriers, and do not drive or walk over newly painted lines until the contractor confirms the area is ready to use.
- Where possible, use an alternative suitable parking area while the works are underway and keep access clear for the contractor and emergency vehicles.

GENERAL - EXTERNAL

Continued

Keeping the car parks clear is essential. If vehicles remain in place, the contractor may be unable to complete the markings. The programme may also be affected by unsuitable weather or other circumstances outside our control.

We apologise for any temporary inconvenience and thank you in advance for your cooperation. If you need any further information, please contact Riverside Scotland Customer Services on 0345 112 6600.

Yours sincerely,

Lucy Stewart
Asset Officer
